## REPORT OF LIBRARY TRUSTEES

Again we submit our annual report of the transactions for the past year. State Aid was given us again this year for which we are very grateful as it adds many more volumes to the Library.

Never before in the history of this Library has the circulation been so large in one year as it is this year. You will note in the Librarian's report the number of books taken out was 4256, an increase over last year's circulation of 1583. We hope to see it still more the coming year.

We wish to thank Miss Sarah Ames for her kindness in distributing books in the eastern part of the town, also to all who have so kindly given books. Miss Florence Marshall formerly of East Weare, gave her own book of Poems. Mr. Arthur Winslow gave his book, which contains much about the Starks of Dunbarton.

We also wish to thank the Librarian for her interest in the Library, for her selection of books and her interest in the children.

## REPORT OF SCHOOL BOARD

*To the inhabitants of the School District of Dunbarton:*

The School Board herewith submits its annual report for the year 1936.

As will be observed from Supt. Tarney's report thirty two pupils from Dunbarton are attending various schools this year. Marks, reporting the work of the high school pupils, are secured each year as an aid to the school board and superintendent in ascertaining if our elementary schools are adequately preparing our pupils for the secondary schools.

A situation arose which made it necessary to make a ruling that high school pupils should be permitted to visit our elementary schools only once, and not more than one half day, during each of their vacations.

During recent years educators have given music a more important place in the school curriculum. The music supervisor's part in our school program is of significant value. Miss Ellis is teaching efficient methods of overcoming monotones and with the help of the teachers accomplishing results in all phases of the music course.

Respectfully submitted,

EVA A. TUCKER,

# REPORT OF SUPERINTENDENT OF SCHOOLS

---

*To the Citizens of Dunbarton*:

This year has brought one change in the teaching group. Miss Muriel Nash of Nashua, a graduate of Keene Normal School, is now teaching at South Dunbarton. Miss Nash had a year of experience before coming here.

The following pupils from Dunbarton have been in high schools this year. Some of these have moved away, which will not mean tuition for the entire year, but for the time actually in high school. The tuition rate in Concord and Manchester is $100 per pupil for the year. The rate in Goffstown is $80.

### Tuition Pupils in High Schools

Concord High School —

The twenty-five in Concord and Manchester would cost twenty-five hundred dollars ($2500). The six in Goffstown would cost four hundred and eighty dollars ($480) more. Even though some of these have dropped out, the appropriation for the present year will not be sufficient to cover the cost. There is no reason to believe the number next year will be any less. The tuition rates will probably remain the same.

## Health Supervision

The work of Miss Walker was supplemented this year by a thorough physical examination of all pupils in all the schools by Dr. Harry Bennert. This was the first time this has been done. There are many defects which if taken in time can be remedied or corrected. The results of such examinations are helpful. Sometimes they show us reality of suspected troubles, pointing out "operative tonsils" for instance, which may be having a damaging effect upon a child although he may seem quite well. The work of the nurse is in part to "follow up," to notify parents, to help arrange for treatment, or attendance at clinics. No one can measure the difficulties corrected or avoided or the value by the constant work of Miss Walker.

In education as in all field of endeavor there have been pioneers. One of the greatest of these educational pioneers in our own country was Horace Mann. One hundred years ago, 1837, Massachusetts enacted a law which created a State Board of Education. Horace Mann was elected Secretary of this board. In this connection he carried on a work which

laid the foundations of the free public school system and prevails in our land. His creed was "free public schools, supported by all for all."

The quotation below gives expression to his faith in education—

"If ever there was a cause,
If ever there can be a cause
worthy to be upheld by all
of toil or sacrifice that the
human heart can endure, it is
the cause of education.

The common school is the
greatest discovery ever made
by man.

A patriot is known by the
interest he takes in the
education of the young."

*Horace Mann*

Again, as always, we are glad to acknowledge the fine cooperative spirit of the community, the intelligent understanding and directing of school matters by the school board, and the loyal, daily, well-done tasks of the teachers.
